

SSFLCA_15_ABC

- **SSFL Construction Accessways 15A, 15B and 15C:-**
 - Enter A: via Atkinson Street (Atkinson Street Gate). Access Atkinson St from Copeland St/Hume Hwy- Mill Rd- Shepherd St.
 - Enter B: Enter: via Construction Access Way 15B ramp (to be constructed) from Shepherd Street Gate and Powerhouse Drive Gate 1. Access Shepherd Street via Mill Road from Hume Hwy. (note that this access must first be constructed from Shepherd Street, if it is not yet constructed then access must be gained via Woodbrook Rd from Hume Hwy- Holston Street- St Andrews Blvd- Lakewood Cres. Once the new road (Powerhouse Drive) is constructed, from end of Shepherd Street to Casula Powerhouse Arts Centre Circuit, access can be via Copeland St/Hume Hwy- Mill Rd- Shepherd St- new access road.

- Enter C: from Woodbrook Road or Powerhouse Drive (Woodbrook Road South Ramp) or via (Powerhouse Drive Gate 3) . Access Woodbrook Rd from Hume Hwy- Holston Street- St Andrews Blvd and Lakewood Cres until the new road (Powerhouse Drive) is constructed from end of Shepherd Street to Casula Powerhouse Arts Centre.
- Exit A: via Atkinson Street Gate onto Shepherd St, or onto the Powerhouse Drive, then onto Shepherd Street, Speed St, Pirie St, Terminus St and then to either Copeland Street/ Hume Hwy or to Newbridge Road.
- Exit B: onto the Powerhouse Drive (via Woodbrook Road North Ramp), then onto Shepherd Street, Speed St, Pirie St, Terminus St and then to either Copeland Street/ Hume Hwy or to Newbridge Road.
- Exit C: via Powerhouse Drive Gate 4 or Gate 5, depart along Powerhouse drive towards Shepherd Street then onto Shepherd Street, Speed St, Pirie St, Terminus St and then to either Copeland Street/ Hume Hwy or to Newbridge Road (Preferred exit) or via Casula Level Crossing then onto Casula Road- Canberra Av- Marsh Pde- unnamed laneway adjacent to Hume Hwy, and join Hwy opposite De Meyrick Ave.

Liverpool Ccl prefers that Casula Rd not be used due to conflict with Casula Powerhouse visitors. Prefers we use Shepherd St
