Action Items from previous minutes:-

1. CLG to be made aware of the proposed finish date of the project when details are known.

Response: Date not known at this stage The CLG will be updated once ARTC have made an announcement that will allow the project completion timeline to be developed.

2. Details of weed management, particularly castor oil bush, will be given to CLG.

Response: ARTC's Environmental Manager is currently on annual leave. The procedure of spray seeding exposed stockpiles is currently under consideration.

3. Final design of the concrete footpath on Wellington Road to be presented to CLG. The section in question is the Auburn Road/Wellington Road area.

Response: Prue will post design details with the minutes.

4. Update to the CLG on Community Art work consultation. Presentation at the next CLG meeting.

Response: Prue noted that the consultation process is still under development with Council. Monique Pritchard from SSFL has been invited to give a presentation at the next CLG meeting on the 13th October.

5. ARTC to investigate the placing of temporary stop lights at the intersection of Auburn and Wellington Roads.

Response: The permanent roundabout design at Auburn Road is close to being agreed with Council. It is not feasible to seek to amend the approved temporary traffic management plan at this late stage. Community representative also noted that he had not experienced difficulties with the current arrangements.
