An update was given by Natalie Boog as per presentation.

5. Project OEMP:

The CLG was given an update of the Operational Management Plan (OEMP) as per the presentation. Tim provided an explanation of the OEMP requirements for the project.

6. General Business and Action Items

Julie-Anne Barry is participating in an ARTC workshop and will be joining the CLG next month.

Action: Natalie Boog to incorporate a video of a tamper machine in action in the next CLG presentation. The CLG watched the tamper presentation.

Action: Coral to bring UDLP next month to clarify. The UDLP was brought to the meeting and the CLG was advised this is also on the ARTC project website.

Raymond asked when the project will be completed in the Bankstown LGA. Coral advised that she would check the latest program and advise the CLG at the next meeting.

Raymond asked that if any of the pumps at the Sefton Dive pumpstation should fail in a power outage would this flood the railway lines. Martijn advised that there will be a backup power supply to the pumpstation which would be used during a power outage.

ACTION ITEMS

The Chair to further discuss strategies for “winding down” the CLG – Construction is to wind down/ be completed in spring. Donna will seek further advice.
