Out of Hours Work

Location of Works: Leightonfield Station to Carramar Station

Time: 7am to 6pm Saturday and 8am to 6pm Sunday for six (6) weekends between 15 October 2011 and 31 January 2012.

Activity: Installation and removal of HV power poles and associated aerial works.

Equipment: Non-destructive digging truck, pole truck, elevated work platform x 2, Franna crane, powered and non-powered hand tools.

Two Weekends have already been utilised WE18 and WE19 (29-30 October and 5-6 November). The remainder of this work is currently scheduled for WE20 - 23 (12-13 November, 19-20 November, 26-27 November, 3-4 December).

- CLG's
- Letterbox drops
- Individual briefings (only in noise sensitive areas as defined by the noise report)
- Respite Offers (only in noise sensitive areas as defined by the noise report)
- Alternate Accommodation (only in noise sensitive areas as defined by the noise report)

- ARTC recommends the Bankstown CLG to close with the SSFL Combined CLG meeting on 7 December 2011
- If CLG are in agreement ICLR is to write to SSFL Project Director to formally request closure of the Bankstown CLG
- SSFL Project Director is then to seek approval of termination from the Director General of DoPI
- Installation of the art work at Sefton Station is scheduled to begin in November 2011 and the organisation of an opening ceremony is yet to be finalised - the CLG members will be invited to attend.

Next meeting:

Combined CLG

Wednesday 7 December 2011
