1. Welcome, introductions, apologies

The Chair welcomed meeting attendees and made introductions.

Apologies:- Dick Webb

2. Previous Minutes record and matters arising

Previous Minutes were read and accepted as true and correct.

3. Contractors/Construction Updates

Reed – Eleo Estacio

Overview of current status as per presentation

Q: Were you able to take advantage of the power outage?

A: The piling works are finished.

Gartner Rose – Daniel Rose

Overview of current status and work at numerous locations in the near future as per presentation.

Leumeah Station lift is going to be offline while modifications are carried out.

Q : How is the Bus stop to be handled?

A : Taken on notice. Details are yet to be finalised closer to the time

Q: How will the contractor cope with access needs of commuters?

A: This is a matter of communication with the users. Alternate arrangements will be made. The contractor is working with the station managers and the local community will be consulted.

Casula

Non possession method will be used. There will be no out of Hours works and access will be maintained.

Warwick Farm Station

Unmapped services have delayed construction.

There will be a net positive effect on car parking.

Council is in consultation with David Cook

ARTC – Consultation and Communication.

An overview of the current status of community consultation re the above works was given as per the presentation.

4. Out of Hours Work

Overview as per presentation of Out of Hours work to be undertaken on the 4th and 5th July 2009. (Weekend 1)

Seymour White has not attended this meeting. Full details will be provided at the next meeting

5. General Business and Action Items.

An introduction by the Chair to the CLG for Rob Bullen of Wilkinson Murray.

An overview of the **Operational Noise and Vibration Management Plan** was given by Rob Bullen as per the presentation.

Q: How come a whole year for the monitoring?

A: Take up periods will change noise levels over time.

Q: How are you responding to the ARUP report with your monitoring?

A: The ARUP report addresses individual vehicles. Controls on individual assessments will comply with the ARUP report. Wilkinson Murray will review the ARUP report and return to CLG if there are other issues.

Q: How do you deal with the frequency of the noise?

A: The LEq measure takes this into account.

Q: Will Council get a copy of the report

A: Yes

ARTC will set up a meeting and talk to council regarding the report.

6. Meeting Closed

7.30pm

7. Next Meeting

When: Wednesday 17th June, at 6.30pm.
