

SSFL Overview
Liverpool/Campbelltown Community Liaison Group

- Construction of station proper going well
- After we recess the ramp, we will put up the lift shaft which will cause some discomfort to the commuters as the stairs will be closed intermittently. This will happen in approximately 4 weeks. Date to be provided.
- RailCorp have established a worksite so they can carry out their works - they are building a new ticket office
- Bike lockers are being built currently and the public will have access to them shortly
- Minto car park will be commencing in the next 4 weeks
