Action Items –

- 1) Waiting for response from Liverpool Council. Council currently has no access to their data and computer services following the recent fire in their premises. This action item has not closed out yet.
- 2) Community representative thanked ARTC for attending to the repairs. The item is now closed.

3. Contractor overviews

An update given by contractors of the present status of works in the Liverpool

CLG area as per the presentation.

Minto Station

The first public car park is complete. This will allow work to commence on the second car park. Construction is estimated to take around 10 weeks.

Leumeah

Works are to recommence at the end of August. The first stage will be the construction of a new car park at the country end of the station.

Casula Station

Works are recommencing and will focus initially on services installation. The location of the power poles has been agreed with Rail Corp.

Warwick Farm Station

Craning in of lift shafts with 500 tonne crane has been successfully completed.

4. Out of Hours Work

Overview presented of out of hours work to be undertaken in the weekend of the 20 -21st August and the 27-28th August as per the presentation.

There were no questions.

Consultation and notifications

An overview given of the consultation process to be employed for OOH work as per the presentation.

No further Questions

5. General Business and Action Items.

Q: - Are there likely to be delays caused by the burning down of Liverpool Council Chambers.

A: - ARTC has met with Liverpool Council representative Jeff Organ who has assured them of Council's intention not to cause delays. Council is unable to administer at present because their computer server is not operating. This is only expected to cause a minor delay until new arrangements can be put in place.

Q. - Has the suspension been lifted? When it is can a revised program be placed on the website?

A - An announcement should be made within two/three weeks. Once a revised program is available it will be placed on the website.
