

**ARENCO (NSW) PTY LTD****Southern Sydney Freight Line****Contracts**

NSW-T-C-1695-SSFL Formation and Bridge Construction Between Cooper Road, Sefton and Bareena Street, Cabramatta.

NSW-T-C-1696-SSFL Bridgeworks at Prospect Creek, Carramar and Georges River, Liverpool

INTRODUCTION

Arenco (NSW) Pty Ltd is an infrastructure and building company that was established in 1998 and now currently undertakes projects ranging from \$1 million to \$70 million in value.

Arenco is now a fully owned subsidiary of the Daracon Group who employ over 700 people, of this Arenco employs more than sixty office and site personnel constructing projects as diverse as the prestigious Golden Door Health Retreat at Pokolbin, the Mount Panorama Redevelopment at Bathurst, the Wagga Wagga Rail Underbridge over the Murrumbidgee River and Toule Street Bridge over the Hunter River in Newcastle. Other projects include road intersections, railway station upgrades and water and sewage treatment plants on the Mid North Coast of NSW.

ARTC have awarded Arenco a number of contracts on the Southern Sydney Freight Line for the construction of Sefton Dive a cut and cover tunnel under the Bankstown Line and the construction of the earthworks formation with associated retaining walls, the construction of a number of rail bridges and the modification of existing bridges for the dedicated freight line.

PROGRESS

Current progress has been limited to the establishment of site facilities in various places along the route of the freight adjacent to the existing rail corridor, original ground survey and the location of existing services and utilities.

Full construction works is anticipated to commence at the end of November 2008.
