

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

CHULLORA GOODS LINE Sefton Dive

Australian Rail Track Corporation (ARTC) will be undertaking construction works in the Sefton over the weekend of 4th and 5th July 2009. The work will begin at 2.00am on Saturday and finish at 2.00am on Monday 6th July 2009.

These works are part of the construction of the Southern Sydney Freight Line (SSFL). There will be works within the rail corridor continuously over the weekend, whilst we deliver the Out of Hours works package.

The work in this area will be to remove the rail and sleepers and then to excavate the ballast (or bed the track sits on), they will then lay the ballast and replace the track and carry out any adjustments needed.

The Equipment used in this area will be excavators, dump trucks, front end loaders, rollers, there will be support vehicles in and around the area in addition to this. The works will take place inside the corridor.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
