

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

MILLER ROAD TO VILLAWOOD ROAD

Australian Rail Track Corporation (ARTC) will be undertaking construction works at Prospect Creek Bridge over the weekend of 4th and 5th July 2009. There will be works within the rail corridor continuously over the weekend, whilst we deliver the Out of Hours works package.

Site One: Miller Road Overbridge - 6am to 6pm on Saturday and 8am to 6pm on Sunday – at this location they will be demolishing the existing bridge wing wall brick work and will be installing hoarding.

Site Two: Miller Road to Woodville Road, Villawood – 6am to 6pm Saturday and Sunday – they will be installing high voltage poles in this area.

Site Three: Woodville Road Overbridge - 6am Saturday until 10pm Sunday - at this location they will be piling and carrying out inground beam excavation and formwork and concrete work. The equipment utilised will be 7t excavator, concrete agi trucks, balloon type tipper, hand tools, mobile scaffold, flood lights and jack hammers.

Site Four: Llewellyn Ave Culvert Overbridge – 6am Saturday continuously through to 10pm Sunday – at this location they will be installing culvert using an 80ton crane and heavy support delivery vehicles .

Site Five: Leightonfield – Villawood – 6am to 4pm Saturday and Sunday, at this location there will be multiple crane lifts of precast concrete culvert, heavy support vehicles for delivery of construction materials to site, aswell as cranes.

Site Six: Kamira Street and Villawood Road, Villawood – 6am to 6pm Saturday and Sunday. At this location they will be relocating existing integral energy poles.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
