## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### CABRAMATTA AREA

Australian Rail Track Corporation (ARTC) will be undertaking construction works in the Cabramatta area over the weekend of 4<sup>th</sup> and 5<sup>th</sup> July 2009.

These works are part of the construction of the Southern Sydney Freight Line (SSFL). There will be works within the rail corridor continuously over the weekend, whilst we deliver the Out of Hours works package.

**Site One: Broomfield Street, Cabramatta** – 6.00am to 4.00pm Saturday and Sunday, the work in this area will be foundation works and piling works and for new retaining walls. The equipment used in this area will be excavators, backhoes, roller compactor, piling rig, crane, franna hand tools, concrete agitators.

**Site Two: Sussex Street Underbridge and Cabramatta Creek Bridge** – the work being carried out at both of these sites will be sheet piling. Equipment will be excavators, backhoe, roller, sheet piling rig, franna and hand tools and general construction delivery trucks.

**Site Three: South of Cabramatta Creek Bridge** – 8am to 6pm Saturday and Sunday: in this area the work will involve tree lopping, clearing and grubbing, wood chipping and mulching. The equipment will be excavator, chain saw, mulchers/chipper, tipper trucks and hand tools.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
