Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Chester Hill Area and Woods Road Weekend Works

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of 14th to the 16th November 2009. These works are part of the construction of the Southern Sydney Freight Line (SSFL). In this area, there will be work across three sites as below:

Site One: Chester Hill Road Overbridge – The works will begin at 6.00am and continue until 8.00pm on both Saturday and Sunday. The works will involve underbridge piling on the existing abutment. The equipment used at this site will be a 30t crane, 7t excavator, piling rig, concrete pump and hand tools.

Site Two: Chester Hill (Campbell Hill Rd) – The works will begin at 7.00am on Saturday and continue until 2.00am on Monday. The works will involve boring at the Sydney Water Underbore, and undertrack crossing for the HV cable route. The equipment used will be a directional bore, excavator, dumpy and hand tools.

Site Three: Chester Hill (Miller Rd) – The works will begin at 6.00am and continue until Monday 2.00am. The works will involve boring an undertrack crossing for the HV cable route. The equipment used will be an, excavator, dumpy and hand tools.

We appreciate everyone's patience while we build this important project.
