

AUSTRALIAN RAIL TRACK CORPORATION LTD

**Southern Sydney Freight Line**  
**IMPORTANT COMMUNITY INFORMATION**  
**Macarthur**

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of the 20<sup>th</sup> and 21<sup>st</sup> February 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL).

**Macarthur Tie** The works will take place from 8.00am Saturday 20<sup>th</sup> Feb and continue until 10.00pm Sunday 21<sup>st</sup> Feb 2010. The works will involve earthworks and the following equipment will be used excavators, rollers, graders, tipper trucks, bobcats, forklift trucks, water truck and lighting towers.

**Macarthur** The works will take place from 7.00am Saturday 20<sup>th</sup> Feb and continue until 4.00pm Sunday 21<sup>st</sup> Feb 2010. The works will involve boxing up of shoulders (ballast level adjustments), and corrects on turn outs. The equipment that will be use is a hi-rail excavator, and a front end loader.

**Macarthur Signal Relocation:** The works will take place from 7.00am until 6.00pm on both Saturday and Sunday. The works will involve potholing of existing buried cable routes and excavation of cable route trenches, relocation of existing RailCorp signalling location cases, installation of buried and above ground cable routes, installation and relocation of cables. The equipment used will be site vehicles, excavators x 2, high pressure jet blaster and vacuum truck (sucker truck) and tippers x 2.

Below is an outline of the area of works for your own interest.

We appreciate everyone's patience while we build this important project.
