

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

CARRAMAR STATION AND PROSPECT CREEK WORKS

Australian Rail Track Corporation (ARTC) will be undertaking construction works within the rail corridor in your area on the 9 May 2009 from 1pm to 4.30 pm and 11th May from 10.00pm until 12th May 2009 4.00am.

These works are part of the construction of the Southern Sydney Freight Line (SSFL). These critical activities can only be undertaken during a RailCorp possession while no trains will be operating on the identified line and the electrified overhead is switched off. ARTC will be installing two aerial cable track crossings between the high voltage poles.

Saturday 9/5/09 1pm to 4.30 pm: - Installation of power poles within the rail corridor-
Equipment & Resources: Crane, hole borer, super sucker, 10 personnel

10.00 pm Monday 11/5/09 to 4.00am Tuesday 12/5/09: - Install new aerial power lines across the tracks; test and commission new assets-
Equipment & Resources: Elevated Work Platform (Cherry Picker), hand tools, 10 personnel.

Location of works shown as yellow line

This work will not affect the power supply to your home.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
