Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

SEFTON / BIRRONG / CHESTER HILL / REGENTS PARK

Australian Rail Track Corporation (ARTC) will be undertaking construction works in the Birrong/Sefton/Chester Hill Region over the weekend of 30th May 2009 through to Monday 1st June 2009.

These works are part of the construction of the Southern Sydney Freight Line (SSFL). There will be works within the rail corridor continuously over the weekend, whilst we deliver the Out of Hours work package. We have defined some of the work zones below, but please be aware that there will be work from approximately Cooper Road, Birrong through to Chester Hill Road, Chester Hill within the rail corridor.

Site One: Chester Hill Road Overbridge – Works on the abutments, installation of hoardings, there will be a horizontal boring machine and franna cranes in this area. The works will be from 6.00am to 10.00pm on Saturday and Sunday.

Site Two: Sefton Junction– In this area, the work will involve the relocation of track units. They will be using hand tools in this area. Works will start at 6.00am Saturday and go through until 2.00am Monday

Site Three: Birrong Junction – Installation of poles and relocation of services. The works will be from 6.00am to 10.00pm on Saturday and Sunday.

Site Four: Sefton Station – they will be carrying out piling on the station platform, excavation and installing structural steel shafts. There will be 2 piling rigs and a 90t crane. The works will be from 6.00am to 10.00pm on Saturday and Sunday.

Site Five: Sefton Dive – Works will commence at 4.00am Saturday and continue to 8.00pm Sunday. There will excavation works and also installing the remaining bridge piles. There will be a range of equipment on site, including: piling rigs, slew crane, dump trucks, concrete trucks, sucker trucks, excavators.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
