

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Miller Road Overbridge

Australian Rail Track Corporation (ARTC) will be undertaking construction works at Miller Road Overbridge over the weekend of 1st and 2nd August 2009. The work will start at 6.00am until 6.00pm on both Saturday and Sunday.

This work is required for extending the Miller Road Bridge to span the new Southern Sydney Freight Line and will involve: temporary closure of the bridge and removal of the median strip to accommodate traffic crossover in the second stage of the Traffic Control Plan at Miller Road.

The Equipment used in this area will be 2 ton tip truck, 7 ton excavator with hammer head attachment, road saw and a surface compactor.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
