Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

CHESTER HILL ROAD BRIDGE

Australian Rail Track Corporation (ARTC) will be undertaking construction works at Chester Hill Road Bridge which will involve closing the bridge on Saturday 1st August from 6.00 am to 6.00 pm.

This work is required as part of extending the Chester Hill Road Bridge to span the new Southern Sydney Freight Line and will involve: temporary closure of the bridge with barriers, application of bridge deck water proof membrane, resurfacing the bridge with asphalt, and removing barriers to reopen the bridge.

The equipment used in this area will be a Franna Crane, smooth drum vibrating roller, asphalt paver, Bitumen tanker, Bobcat Profiler, Vacuum truck, Rigid Covered Hot Mix Trucks, and Hand tools.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
