

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Earthworks – Casula Area

Australian Rail Track Corporation (ARTC) will be undertaking work for construction of retaining walls in the Casula area between Shepherd St and Woodbrook Rd from 7.00am until 10.00pm for three weeks from 11th to 14th August (week 1), 18th to 21st August (week 2) and 24th to 28th August 2009 (week 3).

The activities that are planned during this period will be installation of sheet piling next to the rail corridor, bored piling works and earth works for widening the existing embankment for the new Southern Sydney Freight Line tracks.

The equipment used at this location will be cranes, piling rig, dozers, tipper trucks, concrete deliveries and hand tools.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
