

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

HECTOR UNDER ROAD BRIDGE

Australian Rail Track Corporation (ARTC) will be undertaking construction works at Hector Road Bridge which will involve closing the under bridge from 6 pm Saturday 29th August and re-opened to traffic at midday on Sunday 30th August 2009.

This work is required to carry out a bridge lift for the Southern Sydney Freight Line and will involve: temporary closure of the bridge, then reopening the bridge at midday on Sunday once the works have been completed.

The Equipment used in this area will be a 200t crane which will be established in the middle of Hector Street and will be lifting 18 concrete girders and 1 crash beam onto a three span railway bridge, off semi-trailers (there will be 9 semi-trailers) and flood lights.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
