Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Chester Hill Area Out of Hours Works

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of the 23rd and 24th January 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL). In this area, there will be work across two sites as below:

Site One: Chester Hill Road Overbridge – The works will begin at 6.00am and continue until 10.00pm on both Saturday and Sunday. The works will involve column construction on the eastern and western sides of the existing brick abutment, reinforcing, formwork and concrete placement. The equipment used at this site will be a piling rig, tipper truck, 2 x floodlights, concrete pump, formwork shutters, scaffold, 30t mobile crane, 7t excavator and hand tools.

Site Two: Chester Hill – The works will begin at 7.00am and continue until 6.00pm on both Saturday and Sunday. The works will involve boring an undertrack crossing for the HV cable route and Sydney Water main. The equipment used will be a directional bore, excavator, dumpy and hand tools.

We appreciate everyone's patience while we build this important project.
