Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

STREET LIGHT RELOCATION

Australian Rail Track Corporation (ARTC) will be relocating a number of streetlights at Wellington Rd, Birrong for the SSFL. The works will require the partial closure of Wellington Rd between Gascoigne and Woods Roads on the 17-19 February 2010. Traffic control will be in place between the hours of 10am and 3pm managing the flow of traffic on Wellington Rd to one lane. There will be a work crew doing preparation works on the 15th and the 16th February 2010.

This relocation is required as part of the enabling works to facilitate the construction of the Southern Sydney Freight Line. The equipment on site will include an elevated work platform, work vehicles and traffic control.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
