

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Wiltshire Street, Minto

Australian Rail Track Corporation (ARTC) will be installing a new Sydney Water water main from Wiltshire Street to Redfern Road underneath the railway line near Minto Station as part of the SSFL works. This will replace the existing water main that is in the way of the new Southern Sydney Freight Line. The works includes an underbore beneath the railway line as well as local excavation and trenching to connect to the existing water main. These works will begin on the 15th February 2010 and will continue for approximately 8 weeks. Towards the end of the construction process Sydney Water (SWC) may disrupt the water supply when they test and connect the new water main connection into the existing water main. Sydney Water will contact Residential Customers 3 days prior and Commercial Customers 7 days prior to this connection.

There will be traffic control in place to manage the traffic and the pedestrian movements around the worksite. The equipment on site will include an excavator, a boring machine, welder, jack hammer, concrete mixer, work vehicles, hand tools and traffic control.
