

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Chester Hill

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of the 27th to 1st March 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL).

Chester Hill Road Overbridge The works will take place from 7.00am until 6.00pm on both Saturday 27th February and Sunday 28th Feb 2010. The works will involve stripping form work on recent column construction and the following equipment will be used: elevated work platform, hand tools and 7t excavator.

Chester Hill The works will take place from 2.00am Saturday 27th and continue until 2.00am Monday 1st March. The works will involve bore under track crossing for high voltage cable route and the following equipment will be used excavator, dumpy, hand tools, and a directional bore

Below are images outlining the area in which works will be undertaken.

We appreciate everyone's patience while we build this important project.
