

AUSTRALIAN RAIL TRACK CORPORATION LTD

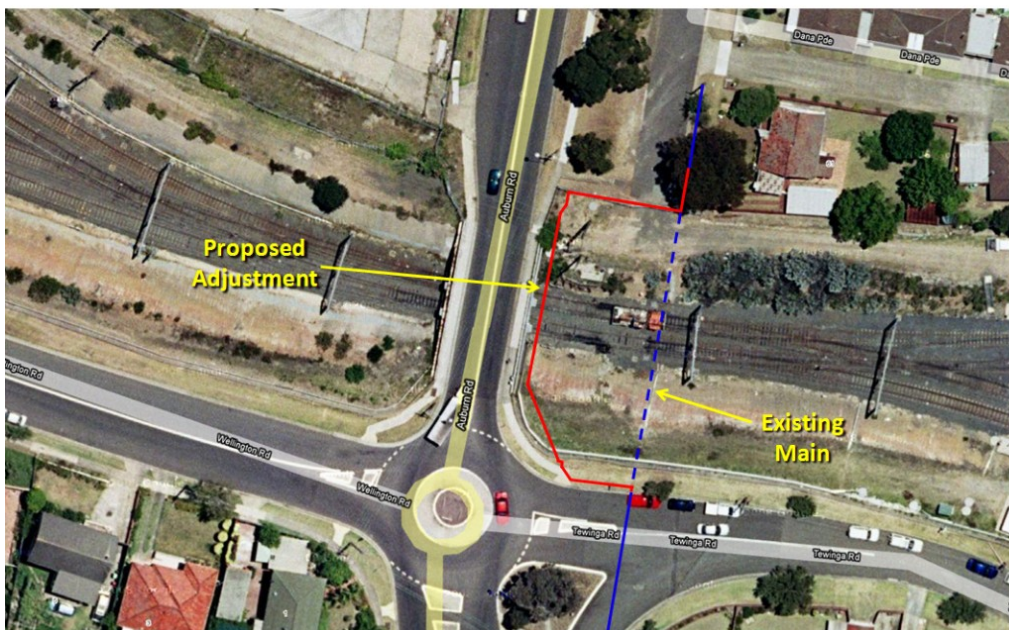

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION Water Main Installation Auburn Road

Australian Rail Track Corporation (ARTC) will be installing a new water main from Tewinga Road to Dana Parade over the Auburn Road Railway Bridge at Birrong. This will replace the existing water main that is in the way of the new Southern Sydney Freight Line. The works include connecting a new water main over the railway line as well as local excavation and trenching to connect to the existing water main.

The works will begin on the 1st March 2010 and will continue for approximately 6 weeks. There will be impact to pedestrian and traffic movements as we carry out the works. At Tewinga Road, a traffic controller will direct traffic into Tewinga Road and traffic exiting Tewinga, will be diverted left onto Auburn Road. There will be some minor delays. The existing footpath on Tewinga Road will be closed for the duration of the works. At Auburn Road, the pedestrian staircase up to Auburn Road will be closed and pedestrian traffic will be diverted to the opposite side to cross Auburn Road.

This work is required as part of the enabling works to facilitate the construction of the Southern Sydney Freight Line. The equipment on site will include excavator, welder, jack hammer, concrete mixer, work vehicle and hand tools.

W4 SWC watermain installation over Auburn Rd, Birrong - WS 052
