

AUSTRALIAN RAIL TRACK CORPORATION LTD

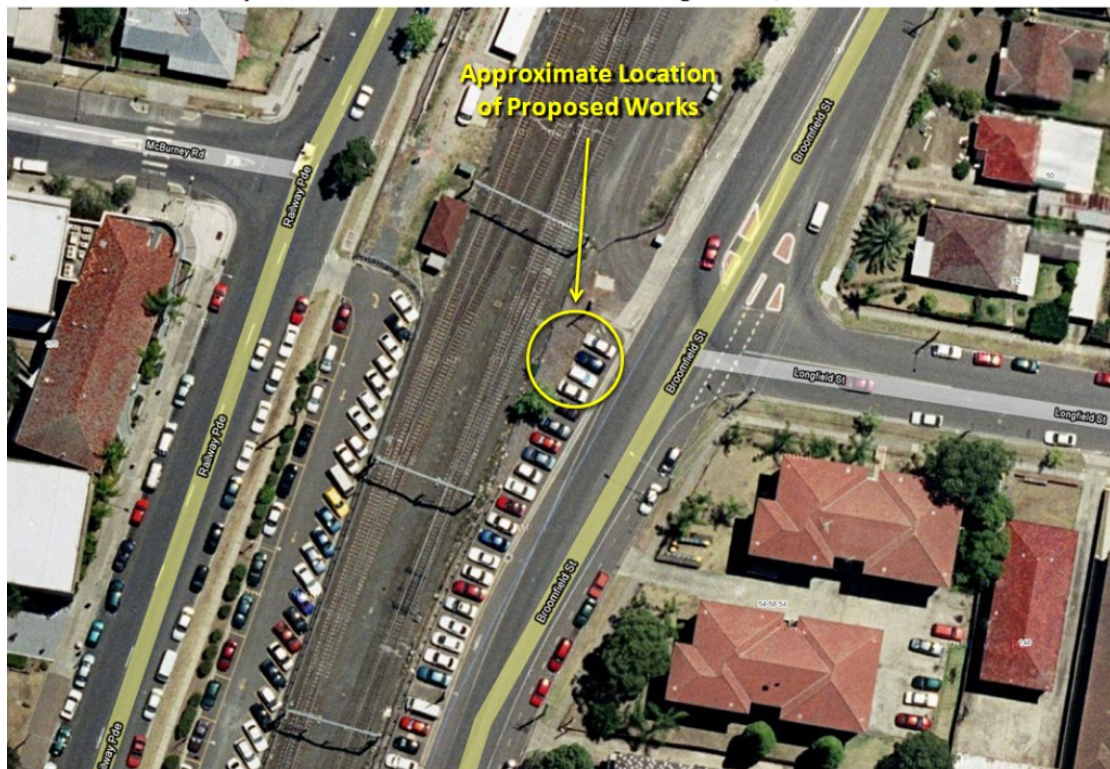

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Electrical Cable Protection, Broomfield Street, Cabramatta

Australian Rail Track Corporation (ARTC) will be installing electricity cables and a concrete protection slab for Integral Energy along Broomfield Street near Cabramatta Station. This will protect the Integral Energy power cables that are in the way of the new Southern Sydney Freight Line. The works include cable installation, local excavation and trenching to connect the new power cables to the existing electrical network. These works will begin on the 24th March 2010 and will continue for approximately 8 weeks. The work however will not occur continuously over the period of 8 weeks.

There will be traffic control in place to manage the traffic and the pedestrian movements around the worksite. 4 car parking spaces will be disrupted for the duration of these works. The equipment on site will include an excavator, tipper trucks, concrete truck and mixer, work vehicles and hand tools.

Proposed works at Broomfield St and Longfield St, Cabramatta
