Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Miller Road – Partial Closure

Australian Rail Track Corporation (ARTC) will be relocating one pole at Miller Rd, Chester Hill for the Southern Sydney Freight Line. The works will require the partial closure of Miller Rd between Waldron Rd and the south side of the tracks on the 29 March 2010. Traffic control managing a stop/go flow, will be in place between the hours of 10am and 3pm restricting the flow of traffic on Miller Rd to one lane.

This relocation is required as part of the enabling works to facilitate the construction of the Southern Sydney Freight Line. The equipment on site will include an elevated work platform, work vehicles and traffic control.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
