

AUSTRALIAN RAIL TRACK CORPORATION LTD

## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### Wood Road, Sefton

Australian Rail Track Corporation (ARTC) will be installing Energy Australia 11kv (common term low voltage) feeders at Woods Road, Sefton. This will replace the existing Energy Australia asset that is in the way of the Southern Sydney Freight Line Woods Road Bridge piling. The works include an under bore beneath the railway line (completed) as well as local excavation and trenching to connect to the existing bays. The works will take approximately 4 weeks and will begin on 8<sup>th</sup> April 2010. Pedestrian and traffic movement will be impacted and will be managed around the worksite. The equipment used will be a boring machine, excavator, cable truck, jack hammer, concrete mixer, work vehicles and hand tools.

Proposed works at Woods Rd, Sefton

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
