

AUSTRALIAN RAIL TRACK CORPORATION LTD

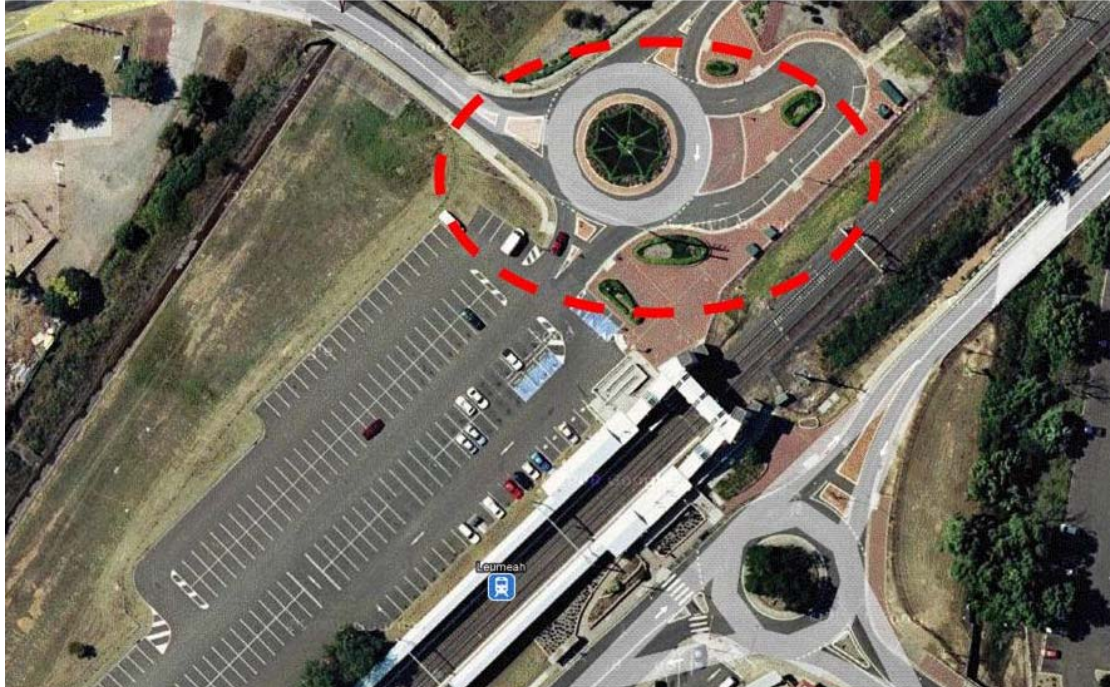

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Integral Energy Work at Plough Inn Road, Leumeah

Australian Rail Track Corporation (ARTC) will be doing Integral Energy work at Plough Inn Road as part of the SSFL works. The works include the installation of new Integral Energy HV poles, which will replace the existing Integral Energy poles that are in the way of the Southern Sydney Freight Line. The works also include local excavation and trenching.

Construction work will begin on the 16th July 2010 and it will be carried out in approved project hours. The work will continue for approximately 3 weeks however it will not occur continuously over the period of 3 weeks. Pedestrian and traffic movements will be impacted by these works and traffic control will be in place to manage these movements.

The equipment on site will include an elevated work platform, pole truck, pothole truck, jack hammer, concrete mixer, work vehicles and hand tools.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
