## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### Construction Work at Campbell Hill Rd Chester Hill

As previously advised Australian Rail Track Corporation (ARTC) will begin installing a new Sydney Water main from Orchard Road to Campbell Hill Road underneath the railway line near Chester Hill Station. This will replace the existing water main that is in the way of the new Southern Sydney Freight Line. The works include an underbore beneath the railway line as well as local excavation and trenching to connect to the existing water main.

Preparatory works will begin on Monday 23<sup>rd</sup> August, with the construction work to begin on 25<sup>th</sup> August; the works will be carried out in approved project hours. The work will continue for approximately 12 weeks however it will not occur continuously over the period of 12 weeks. Traffic movements will be impacted by these works and traffic control will be in place to manage these movements.

The equipment on site will include a boring machine, excavator, welder, jack hammer, concrete mixer, work vehicles and hand tools.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
