

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Auburn Road Bridge Works

Australian Rail Track Corporation (ARTC) will be undertaking excavation works underneath the bridge deck at Auburn Road. Prior to the excavation works beginning readings need to be taken at intervals throughout the excavation works. For these to take place traffic movements will be impacted.

Traffic control will be in place and will manage vehicle movements whilst these readings take place, they will take no longer than five hours on each occasion and will occur after 9.00am.

Traffic control will be put in place on the following dates in order to take the appropriate readings:

22nd September 2010
18th October 2010
3rd January 2011
17th February 2011
31st March 2011

Please note that the first date will go ahead next Wednesday, the following dates at this stage are **indicative only**, and will be confirmed in subsequent notifications closer to each proposed date.

The readings take approximately 1.5 hours each to obtain, and planned to start after 09:00am and will be completed within 5 hours. The readings will start on the Southbound lane, move to the Northbound lane after that, and finish on the Eastern footpath.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
