## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### Cabramatta to Warwick Farm Station – Weekend Works

Australian Rail Track Corporation (ARTC) will be undertaking construction work in your area. These works must be undertaken outside normal construction hours because of the safety risks involved with working in close proximity to overhead power and rail track.

#### Cabramatta to Warwick Farm Station

These works will take place on Saturday 11 and Sunday 12 December 2010 from 7am to 5.30pm. The works will include installing cables between Cabramatta Communications Room and Warwick Farm Station, and the changeover of cables between Cabramatta and Warwick Farm Station. The equipment required for these works include cable trucks, A-frames, winches, Hiab truck, excavator, water cart and tool truck.

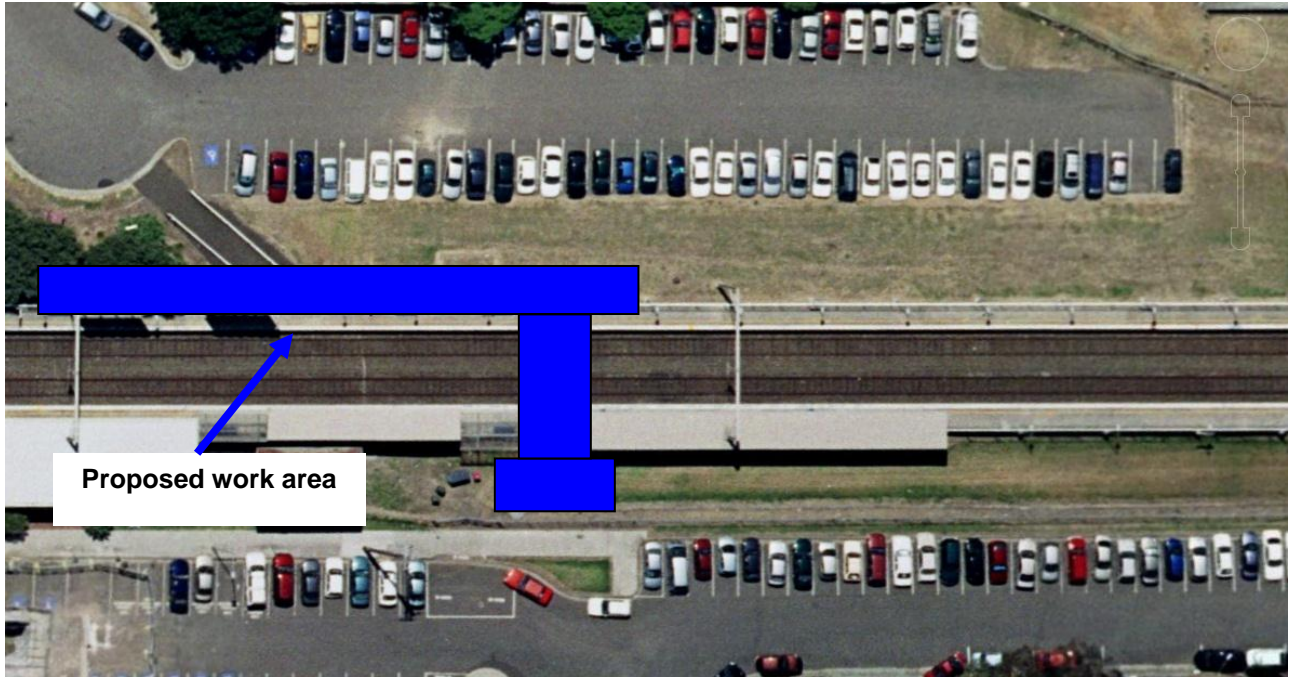

#### Cabramatta Station

These works will take place on Saturday 11 and Sunday 12 December 2010 from 7am to 6.30pm, with a contingency period from 6.30pm to 10pm on both days. The works will be to the back of the platform and include piling, installing a new awning and modifying existing cabling. The piling works will only be undertaken in normal construction hours. The equipment required for these works include a 60t Franna, 20t Franna, oxy sets, generator, elevated work platform, scaffolding, delivery trucks and hand tools.

## Warwick Farm Station

The works will take place on Saturday 11 and Sunday 12 December 2010 from 7am to 5pm, with a contingency period from 5pm to 10pm on both days. The works will be to the back of the platform and include piling, extending the platform, upgrading the power, and glazing and cladding lift shafts. The piling works will only be undertaken in normal construction hours. The equipment required for these works include a 100t crane, 20t Franna, oxy sets, elevated work platform, scaffolding, delivery trucks and hand tools.

We appreciate your patience while we build this important project for Sydney, NSW and the nation.
