

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction Works to Platform – Leumeah Station

Australian Rail Track Corporation will be undertaking work at Leumeah Station. The works will include installing cables along the platform face and rectifying any defects. The works will be undertaken on Tuesday 21, Wednesday 22 and Thursday 23 December 2010 from **10pm to 5am**. These works must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and trains. The equipment on site will include two site vehicles and non-electrified hand tools.

We appreciate your patience while we build this important project for Sydney, NSW and the nation.
