Construction Work at Railway Parade and Broomfield Street Cabramatta

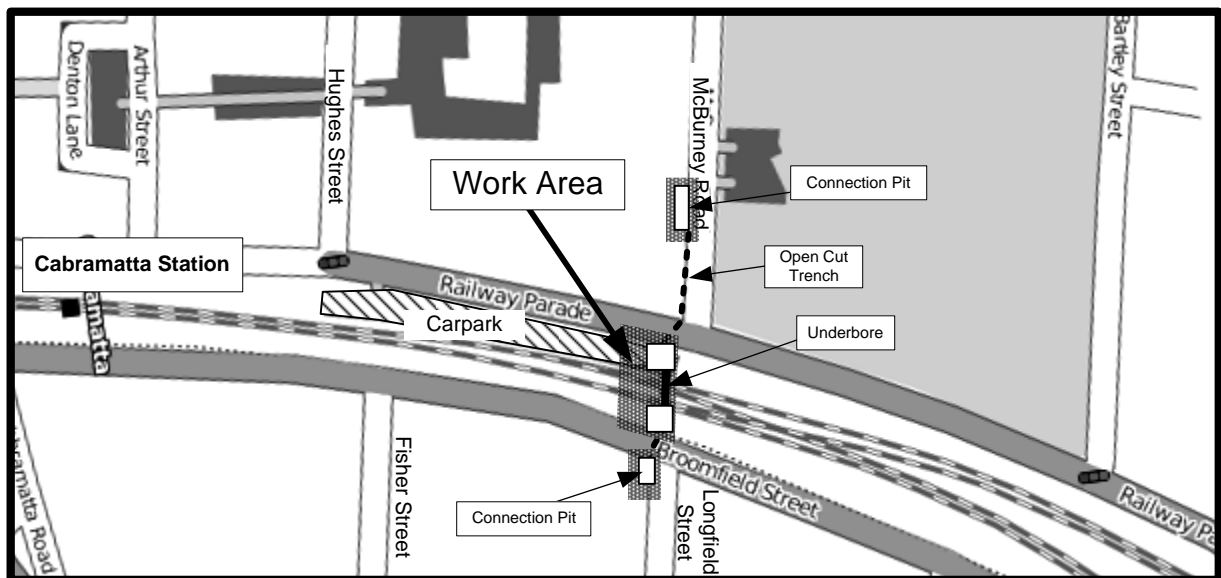

Australian Rail Track Corporation (ARTC) will be constructing an underbore from the corner of McBurney Street and Railway Parade and underneath the railway line to the corner of Broomfield and Longfield Streets, Cabramatta.

The works will commence from 20th June 2011 to Early August 2011. To enable this work, two car parking spaces on Railway Parade, seven spaces in the Rail Corp car park, three spaces on McBurney Street and two spaces on Broomfield Street will be closed to the public. Alternative car parking spaces are available in the Fisher Street car park.

The works will be undertaken on Monday to Friday between 7am to 6pm for the under bore and road crossing on Broomfield Street.

The equipment to be used will include a boring machine, excavator, cable truck, jack hammer, concrete mixer, franna crane, road saw, work vehicles and hand tools.

Traffic controls will be in place during this time on both Railway Parade and Broomfield Streets to manage vehicular and pedestrian movements.

We appreciate your patience while we build this important project for Sydney and NSW.
