

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

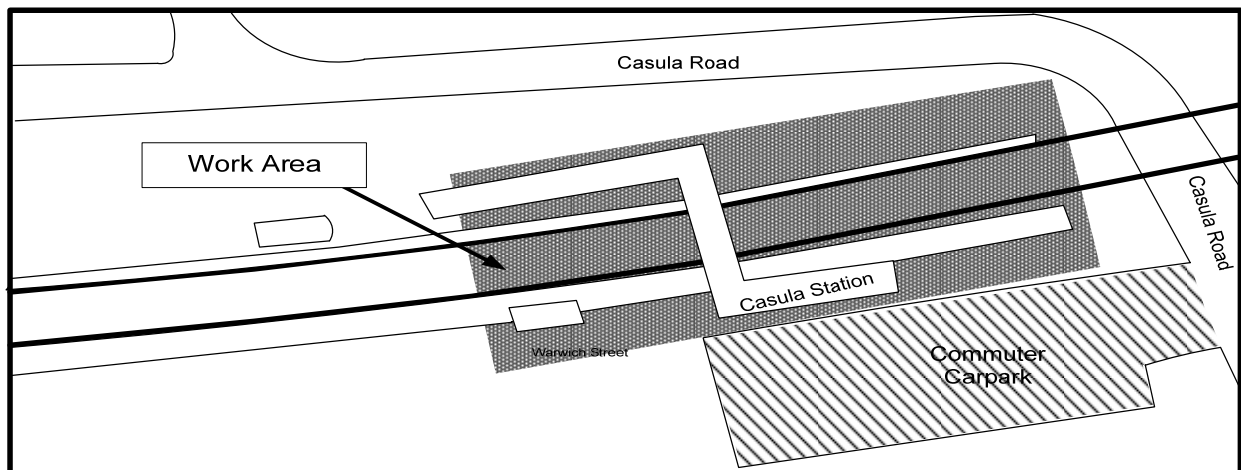

Construction Work at Casula Station

Australian Rail Track Corporation (ARTC) will be undertaking construction work Casula Station. This work must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks.

The work will consist of works to all lift shafts including glazing and cladding, works to the retaining wall, scaffolding works and works to the deflection wall, lift pit and stairs.

The work will be undertaken on Saturday 9 July, from 7am to 6pm, and on Sunday 10 July 2011, from 8am to 6pm. A contingency is in place for 6pm to 10pm on both days.

The equipment used will include delivery trucks, oxy sets, a 60t crane, 20t franna, scaffolding, elevated work platform, piling rig, generator, compressor and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney and NSW.
