

AUSTRALIAN RAIL TRACK CORPORATION LTD

## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

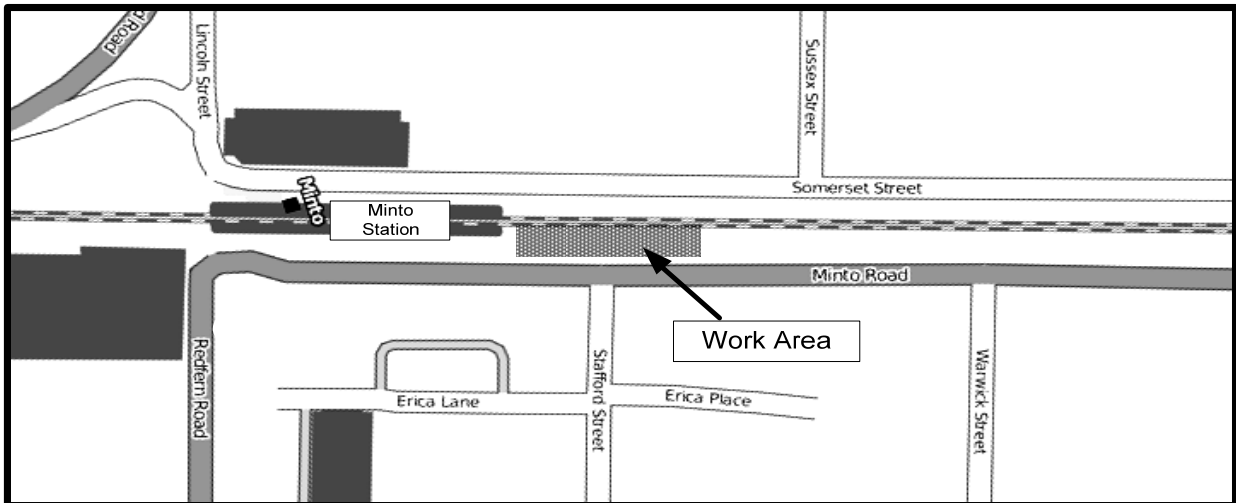

### Construction Work at Minto Station

Australian Rail Track Corporation (ARTC) will be undertaking construction work at Minto Station. This work must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks.

The work will consist of locating a new compressor hut and isolating a transformer adjacent to the down track.

The work will be undertaken on Saturday from 7am to 6pm, and on Sunday from 8am to 6pm during one weekend only, from either 9 -10 July, 17 -16 July or 23 -24 July 2011.

The equipment used will include a crane, low loader and flat bed truck.

We appreciate your patience while we build this important project for Sydney and NSW.
