

AUSTRALIAN RAIL TRACK CORPORATION LTD

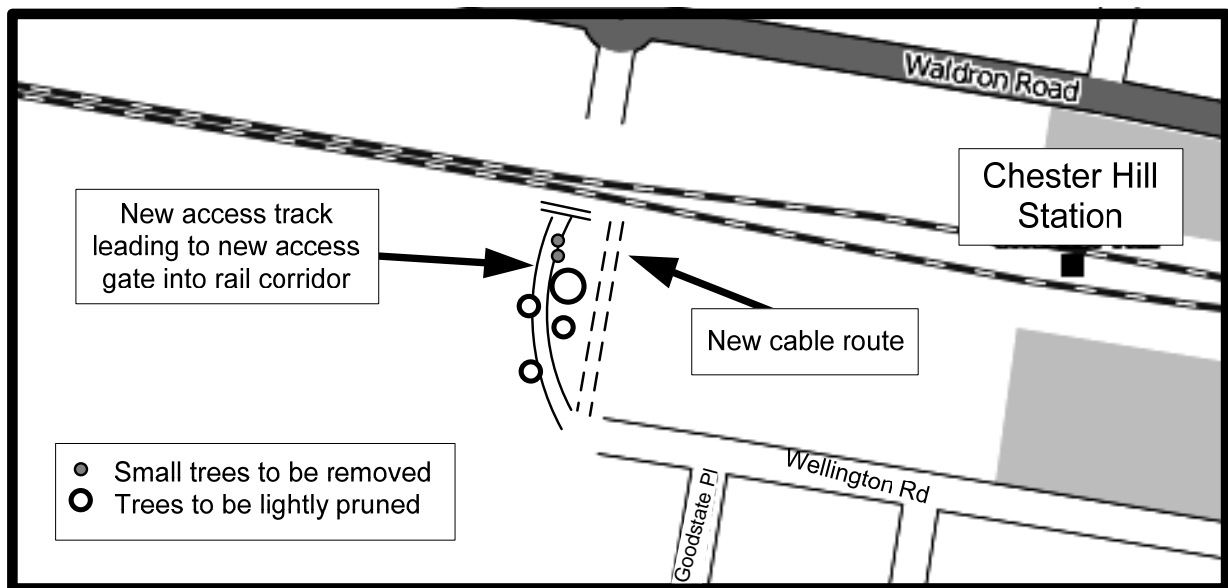

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction work off Wellington Road, Chester Hill

Australian Rail Track Corporation (ARTC) will be undertaking construction work from the cul-de-sac at the end of Wellington Road into the rail corridor, at Chester Hill. Work activities will commence from Monday 15 August 2011.

The work consists of the construction of a new access track leading from the cul-de-sac at the end of Wellington Road, to a newly installed access gate into the rail corridor, as well as the installation of new low voltage power cables from the cul-de-sac into the rail corridor.

Bankstown City Council has identified that to undertake this work four trees will need to be lightly pruned and two small trees will need to be removed.

We appreciate your patience while we build this important project for Sydney and NSW.
