

AUSTRALIAN RAIL TRACK CORPORATION LTD

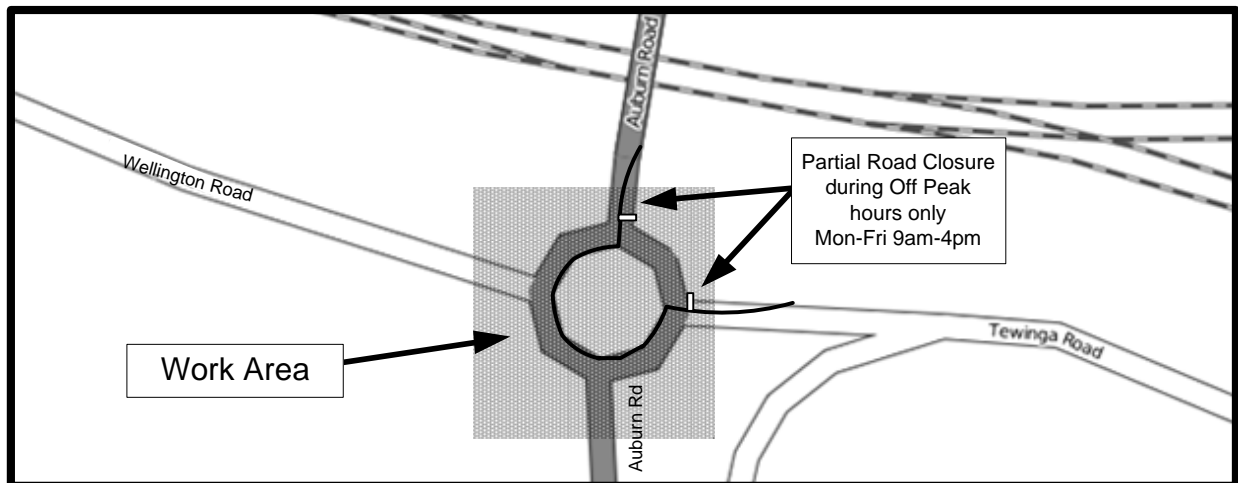

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Roadworks at Auburn Road, Birrong

Australian Rail Track Corporation (ARTC) will be reconstructing the roundabout on Auburn Road at the intersection of Wellington, Tewinga and Auburn Roads. The work will consist of removing existing asphalt, constructing the roundabout and traffic islands, kerbing, laying down new asphalt and line marking. Upon completion of the roundabout a ramp and vehicle crossing will be constructed inside the rail corridor adjacent to Auburn Road Bridge and Tewinga Road to allow plant and equipment access to the rail corridor.

The work will commence on Wednesday 24 August 2011 and will take three weeks to complete. The work will be undertaken during normal construction hours between 7am to 6pm Monday to Friday, and from 8am to 1pm on Saturday.

Between 7am and 9am, and 4pm and 6pm Monday to Friday both lanes on Auburn Road Bridge will remain open to ensure minimal disruption to traffic during morning and afternoon peak hours. For works between 9am and 4pm Monday to Friday Auburn Road will be partially closed with one lane remaining open. For works outside of these hours both lanes on Auburn Road will remain open. Traffic controllers will be in place to manage pedestrian and vehicular movements.

We appreciate your patience while we build this important project for Sydney, NSW.
