Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction Work at Leumeah Station

Australian Rail Track Corporation (ARTC) will be undertaking construction work at Leumeah Station. This work must be undertaken outside of normal construction hours because there are safety risks involved with working in close proximity to the overhead wires and tracks.

Bridge works, platform works and services installation will take place on Saturday 17 September, from 7am to 6pm and on Sunday 18 September 2011, from 8am to 6pm. An approved contingency is in place from 6pm to 10pm on both days.

The equipment will include a 100t crane, 20t franna, scaffolding, mobile elevated work platforms, concrete pump, oxy set, power saw, electric drill, generator, concrete saw, piling rig, high rail, knuckle boom, concrete vehicles, delivery vehicles, and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney and NSW.
