

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

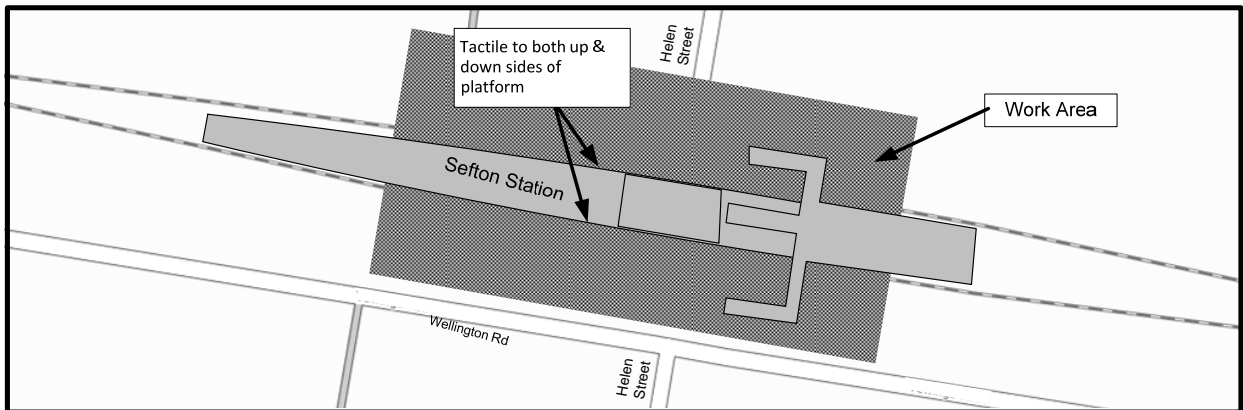

Tiling installation at Sefton Station

Australian Rail Track Corporation (ARTC) will be installing tactiles on the station platform at Sefton Station. Tactiles are raised tiles used to assist the visually impaired.

These works will be undertaken from 8pm to 4.30am on Monday to Friday between 26 September and 1 October 2011. The areas where tiles will be installed will be cordoned off with signage in place to guide pedestrians.

The equipment to be used will include compressors, generators, dust extractors, and drill rigs.

Noise monitoring will be undertaken to ensure noise levels are within prescribed limits.

We appreciate your patience while we build this important project for Sydney and NSW.
