Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

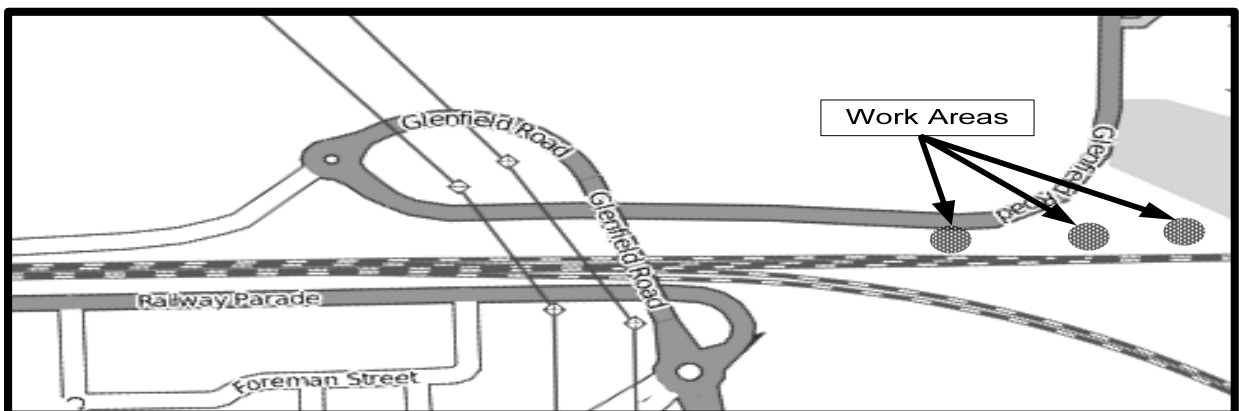

Sewer Connection Works, Glenfield

Australian Rail Track Corporation (ARTC) will be undertaking sewer connection works at Glenfield Road, Glenfield. The works include isolating the existing sewer, draining and tanking away waste from the scour point, which is located near Glenfield Sub Station. Connection works will be undertaken between the existing main and the new main and will include excavation, installation of sewer bends, backfilling and compaction.

This work was previously scheduled for weekend 10-11 December 2011, however due to rain the work had to be postponed. This work is now scheduled to take place **up to two (2) nights** between **6pm Friday 16 December to 7am Monday 19 December 2011** (weather permitting).

The equipment required on site will include a flat bed truck, two excavators, a water cart, tool truck, waste tanker truck, two concrete trucks and pumps, two wacker packers and lighting towers.

Traffic controls and noise monitoring will be in place for the duration of these works.

We appreciate your patience while we build this important project for Sydney and NSW.
