

## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

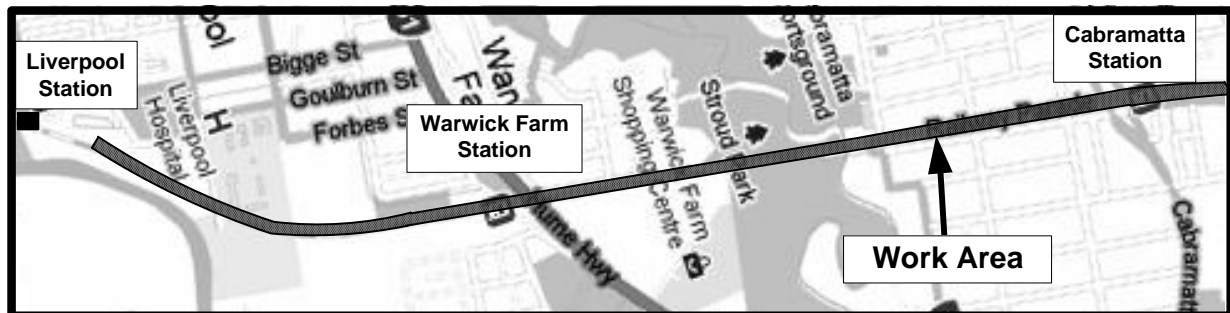

### Construction Works at Warwick Farm

The Southern Sydney Freight Link Project (SSFL) will be undertaking construction work in your area. These works must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks. RailCorp has a track possession scheduled from 3 January to 22 January 2012, which means passenger trains won't be running on this weekend to allow construction work on the train lines. The Southern Sydney Freight line will utilise this track possession to undertake work safely.

#### **Broomfield Street, Cabramatta to Liverpool Hospital, Liverpool**

Excavation and installation of noise wall posts and panels, drainage and cabling works, will be undertaken from 7am to 6pm on weekdays from Tuesday 3 January to Friday 20 January, and from 7am to 6pm on Saturdays and from 8am to 6pm on Sundays on the weekends of 7-8, 14-15 and 21-22 January 2012.

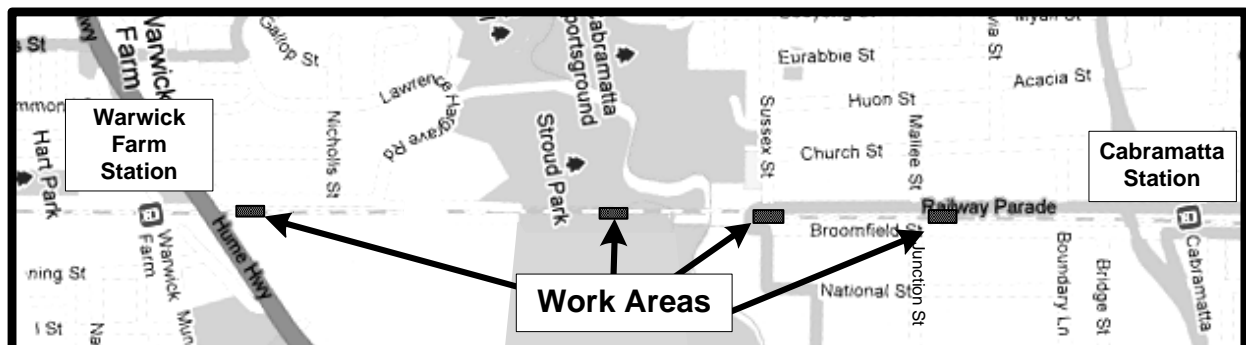

The equipment required for these works will include a small excavator and bob cat, piling rig, concrete agitator truck, concrete pump, 20t franna, elevated work platform, sucker truck, generators, compressor, jack hammer, demolition saw, lighting towers, 30t trench digger, hi-rail, excavators, 10t dumper/ tipper, backhoe, trucks, 2t hino tipper truck, and powered and non-powered hand tools.

#### **Boundary Lane, Cabramatta to Hume Hwy, Warwick Farm**

Modifications to existing signal pits will be undertaken from 7am to 6pm on weekdays from Tuesday 3 January to Friday 20 January, and from 7am to 6pm on Saturdays and from 8am to 6pm on Sundays on the weekends of 7-8, 14-15 and 21-22 January 2012.

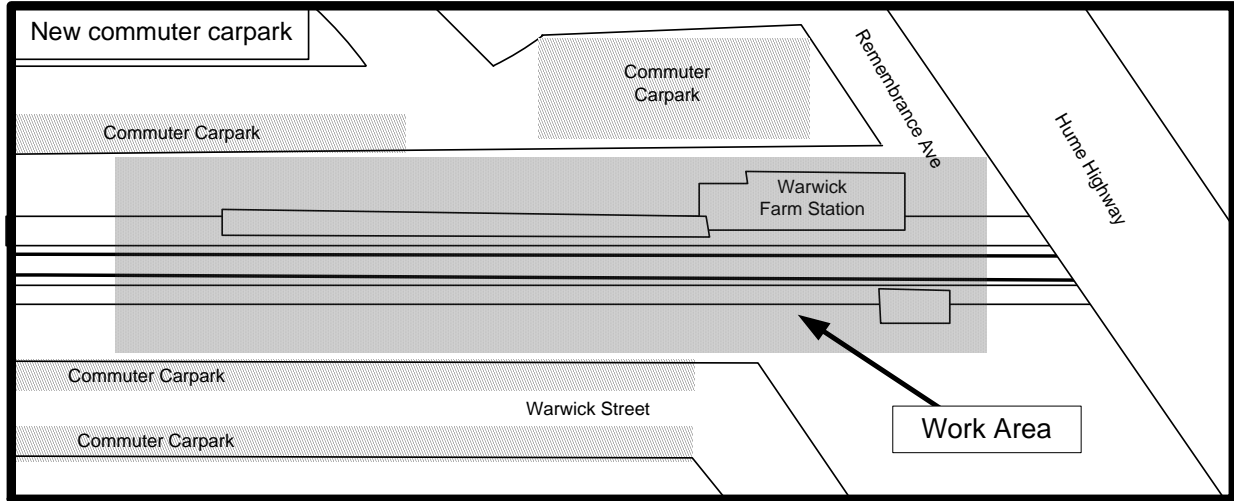

The equipment required for these works will include a 20t excavator, lighting tower, compressor and jack hammer, and powered and non-powered hand tools.

**Warwick Farm Station**

Station works, including demolition of existing waiting room, power upgrade works, remedial bridge works, platform works, and back of platform works, will be undertaken from 7am to 6pm on Saturdays and from 8am to 6pm on Sundays on the weekends of 7-8, 14-15 and 21-22 January 2012. A contingency is approved from 6pm to 10pm on all days worked from Tuesday 3 January to Friday 20 January 2012.

The equipment required for these works will include a 20t franna, delivery vehicles, mobile scaffold, elevated work platform, knuckle boom, oxy set, jackhammer, concrete saw, rattle guns, compressor, generator, concrete pump, and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney and NSW.
